**BUILDING BACK BETTER**

The Pandemic has presented epic challenges to all of us including Northern Finnish Mutual. Under the leadership of your manager, staff, and board, we have endeavored to adapt at the office and strive to meet our ultimately most important goal-service to policyholders and security of our mutual. Included in this team however are the policyholders, who have gone with the flow of changes in their lives and relationships with their Town Mutual. Thank you/Kiitos to all and stay well as we ride the storm. Both in our individual lives, in the NFM and in our world, our resiliency will allow us to Build Back Better as we reflect on what is most important in our lives. Stay safe and well. Janice Penn, President
